

KHANDRA COLLEGE

(Assessed and Accredited by NAAC (2ND Cycle)

About us:

Khandra College, a co-educational institution imparting higher education, is located at Khandra, Dist. Paschim Bardhaman, West Bengal (Lat-23° 06' 33" N & Long-87° 22' 0" E). The college was established in 1981 under the leadership of late Amalendu Bakshi, a local Philanthrope, to cater higher education among the boys and girls of the surrounding area. The primary motto was to set up a minimum infrastructure for imparting higher education to young students who were mostly first-generation learners coming from economically backward strata of the society. The effort was soon acknowledged by the Government of West Bengal, and in the year of its inception the University of Burdwan accorded affiliation to the college as a co-educational institution for higher studies.

The Academic activities of the College were inaugurated in 1981 with only B.A. General course of studies in Bengali, English, History, Philosophy, Sanskrit, Political science and Economics with few students. In 1985 B.com General course was introduced, and 1996 onwards Honours Courses of studies in the aforesaid disciplines were made accessible to the students.

The College, which was born an unknown sapling upon the mining crags of Ukhra and Andal, far away from the glitter of the metropolis, may now boast of holding fourteen Major Courses of studies in its branches by the side of twenty Minor courses of studies to enrich its foliage. This has become possible as a consequence of the combined efforts rendered by the Teachers, the Students, the local people and each and every staff member of the institutional family.

Khandra College received its Assessment and Accreditation by NAAC for the First Cycle in the year 2007. Our efforts were once more acknowledged when we received accreditation by NAAC for the second cycle in 2018. Now we are looking forward to a newer dimension in our attempts to embrace the NEP 2020 guidelines in imparting Higher Education to our students through various academic, administrative and co-curricular activities.

Our Vision

- *Tamaso majyotirgamaya*- "Lead us from Darkness to Light".
- To empower students from all sections of society through holistic education centred on academics.
- To instil in our students moral values, discipline and dynamism along with imparting quality education.
- To sustain the rich legacy of excellence of the college.

Our Mission

- To impart quality education to students from backward classes, and first-generation learners from economically challenged backgrounds, thereby encouraging inclusive growth.
- To enable the young men and women to appear at competitive examinations where a Bachelor's degree is the minimum requirement.
- To provide an ambience that makes our students ethically strong and professionally competent, and contributing thereby to a healthy and prosperous society.
- To encourage innovative thinking and creativity and inculcate research skills in our students.

Our strength:

Developmental activities

- Making the campus a plastic free zone.
- Taking care of plants in and around the campus and creation of a garden of medicinal plants.
- Waste zone at the back of the College for dumping litter and garbage
- Mechanism for rain water harvesting

Cultural activities

- Bidding farewell to pass-out students with medals and certificates.
- Identifying each Academic Department after the names of eminent personalities.

Administrative and extension activities

- Using licensed software in the office and library of the College.
- Installing vending machines for supplying sanitary napkins to the female students.
- Online admission as per the directions of Government of West Bengal
- Anti-ragging cell
- Provision for first-aid for students
- Departmental library
- MoU with NGOs

Activities related to students' progression

- System for extending financial support to needy and eligible students through Aid Fund and Scholarships.
- Public address system
- Provision for mock-tests for job-seekers among the students
- Fully automated library
- Computerised accounting system

Infrastructure and Learning Resources :

- Adequate number of class rooms

- Wholly computerised management
- Fully computerised laboratories
- Provision for indoor and outdoor sports
- Gymnasium
- College canteen
- Separate Common Rooms for male and female students with toilets.
- Smart classroom to provide ICT-enabled teaching to the students
- Ramps for differently abled students
- Central library and departmental libraries
- Wi-Fi
- 24*7 CCTV surveillance

Institutional values and best practices

- Educating students about gender equity through several addresses by the Principal and the faculty, throughout the year
- Organising several lectures on social impact of gender equity by eminent resource persons during NSS Special Camping Programmes.
- Grooming of students to assist differently abled co-learners in the field of academic and co-curricular activities
- Installing solar power plant and LED bulbs to promote environment sustainability\
- Maintaining a waste free camp through dumping waste into boxes/ bins
- Discharging rain water into the College pond for a steady source of water throughout the year.
- Lush green campus
- Displaying placards inside the campus in adequate numbers to create awareness against the uncritical use of plastic

From the Desk of the Principal

Dr. Pinaki Ranjan Bhattacharyya

A student is an ambassador bearing the insignia of the Institute throughout his life. Keeping in mind this philosophy, Khandra College always welcome a student to understand today's realities of life and makes an all-round effort to hone the skills of the young talents continuously during their association with our College and thereafter as well.

Our College always encourages a student not only to learn but also to make others learn through dissemination of knowledge, using the vast library database, computer laboratory and continuous faculty support. The College strives to create a healthy relationship between the Academia and the Industry. The commitment commences from admission and continues sometimes, even after passing out of the students' handholding them for entrepreneurial activities to make the student not only a job seeker but a job creator in their life. Our motto is to make them self-dependent and contribute in creating a sustainable society. Apart from classroom teaching, the College also encourage students to participate in organising seminars, workshops and interact with Industry doyens to create a symbiotic relationship with education through continuous interaction.

I welcome you to be a part of this success story and carve out a niche for yourself.

Teaching Staff

Department of Bengali

Dr. Sudipa Chowdhury, Associate Professor
Dr. Uday Sardar, Assistant Professor
Prof. Rajat Hembram, Assistant Professor
Mrs. Geeta Halder, SACT II

Academic			

Student support and progression

- Organising Career Oriented certificate courses.
- Providing Career Counselling through external agencies
- Organizing MOCK-TEST for competitive examinations under the guidance and sponsorship of the Govt. of West Bengal.
- Students' Grievance redressal cell
- Providing financial support to students from economically backward families
- Robust and transparent management for conducting regular class/ unit/ Internal assessments.

Major Achievements

- Assessment and Accreditation of the College by the National Assessments and Accreditation Council, Bangalore, Govt. of India(2nd Cycle,2018)

- **Pollution free green College campus**
- **Supply of Purified Drinking Water**
- **Fully computerized College Library**
- **Development of Computer Laboratory**
- **Publication of ISBN holding volumes by the faculty**
- **Students' cheap store**
- **Implementation of new courses of study as per NEP 2020 guidelines**
